## BIO

**Hailing from the coastal city of Split, Croatia, Martha May is a heartfelt songwriter and born performer. Infusing deeply personal lyrics with an uplifting pop energy, Martha's music is sure to move you in every sense of the word.**

**Marking Martha's debut single and first ever written song, Breakaway is a story of self acceptance, and redefining turmoil. Created in an experimental spirit during lockdown, this uplifting banger will announce Martha's arrival in style.**

**Strummed during her University days on a rickety old guitar, Breakaway's emotive lyrics illustrate Martha's journey through a tough relationship. Emerging as her own woman, Martha delivers an electrifying message of emotional strength to her fast-growing fan base.**

**Production-wise, Breakaway opens up with a sunny, expansive sound. Expect plenty of driving beats, warm pads and sparkling guitar lines alongside Martha's soaring vocal harmonies.**

**Bright and optimistic, yet driving and cathartic, Breakaway is the perfect encapsulation of Martha's musical mindset.**

**Get ready to Breakaway!**
